2012 CALENDAR

We're looking for Bichons for our 2012 calendar - particularly those with the beautiful round Bichon trimmed head. If you would like to submit photographs of your Bichon for our 2010 calendar, please complete this form.

Please ensure your photograph is of the highest quality - especially if you are emailing it. Our website has guides on how to create the best image (see our Calendar page). Unfortunately we cannot use pictures that have been folded or damaged in any way. If you have used a digital camera and you have email, please email the picture to us - the larger the size the better. If you would like your photograph(s) returned, please send us an SAE.

We may wish to use your photograph(s) on the website or in future magazines. If you do not agree to this please let us know.
